

POPULIST NATIONAL CONVENTION.

BRYAN AND WATSON.

Populists Name the Nebraskan for First Place.

The Populist National Convention met at St. Louis on the 23d. Senator Marion Butler, of North Carolina, the choice of the compromise Bryan element, was made temporary chairman without opposition. The convention appointed its committee on credentials and adjourned until 3 p. m. At that hour the delegates found themselves groping about in the dark, the electric lights having been turned off. The middle-of-the-road men said it was a Bryan trick. Finding that the committee on credentials would not be ready to report at adjournment, the convention adjourned until 10 o'clock Thursday morning.

Coxey, with his son-in-law, Carl Browne, and his young son, "Legal Tender," were conspicuous figures at the convention. W. W. Hayes, of the Knights of Labor, and W. D. Vincent were chosen temporary secretaries of the convention.

The committee, at its afternoon meeting took up the various contests, Illinois, being the first in order. The contest involved the seats of the delegates from the congressional district comprised in Chicago. One of the delegation was headed by H. S. Taylor, and the other by William Burns, who was impressed with Eugene Debs after the Chicago strike speeches were made by both Burns and Taylor, and bitter charges were made against each other. The contest was decided by the adoption, by 49 to 18, of a motion offered by Ignatius Donnelly, giving each member of both delegations half a vote. The hearing in the Ohio case followed. This controversy applied to the Nineteenth district, involving three district seats, and indirectly the seat of one delegate at large. The National Committee took middle ground and gave each member of the two delegations a half vote.

There were two sessions of the Populist convention Thursday a morning session of two hours and an afternoon session of six hours. The latter carried the convention into the night. Senator Allen, of Nebraska, was elected permanent chairman.

The convention was called to order Friday morning by Senator Allen, permanent chairman, at 10:45 o'clock. Prayer was offered by Rev. Mr. Williams, of the Union Methodist church of St. Louis.

A gravel, constructed in the State of Ohio, out of 48 kinds of timber, representing every state, was presented to the chairman by Delegate Noe, of Ohio, as a "middle-of-the-road" gravel and it was accepted by the chairman.

After considerable debate the Woman's Suffrage plank was defeated in the Populist resolutions committee. It was antagonized by the southern and western delegates, and members from Utah declaring that if it prevailed the vote in that State would be turned over entirely to the Mormon church. Another plank declares the election of President, Vice President and Senators by a direct vote of the people. After the resolution and opposition from southern delegates who deplored anything that would raise an issue, a plank was adopted declaring for a free ballot and a fair count.

The Populist committee on resolutions rejected a non-interference bearing bond scheme by a vote of 14 yeas to 25 nays. At 11 o'clock the committee had agreed upon the preamble to the platform, and several sections of the financial plank.

A demand made for such legislation as will enable every industrious and prudent citizen to secure a home, and declares that public lands should not be monopolized for speculative purposes. The policy that has prevailed in the Interior department concerning bona fide settlers, and despoiled of their homes, is condemned, and remedial legislation demanded.

The sympathy of the party with Cuba in her struggle for political freedom and independence, is expressed, and the resolution made that the time has come when the United States, the greatest republic of the world, should recognize that island as a free and independent state.

The last session of the convention, which lasted until midnight 5 o'clock Saturday afternoon, was marked by scenes of turbulence and noisy excitement, which several times bordered on actual riot and what almost precipitated personal collisions. One fist fight did occur. A Rhode Island delegate was ejected and a West Virginia delegate, inflamed by the action of the convention, walked suddenly out of the hall. The storm center, as on the three previous days, was in the Texas delegation.

William Jennings Bryan, of Nebraska, who was nominated by the Democratic convention at Chicago a fortnight ago, was made the standard-bearer of the Populist party by a vote of 1,047 to 331.

The Democratic candidates was nominated in the face of the protest in the shape of a telegram directing the withdrawal of his name sent to Senator Jones, after Sewall, his running mate, had been ditched for the vice-presidential nomination, and Thomas E. Watson, of Georgia, had been named for second place on the ticket. It was also made in the teeth of an opposition so bitter that after the convention adjourned some of the radicals held a "rump" convention.

J. A. Edgerston, of Nebraska, was chosen secretary and C. B. Hoot, of Indiana, treasurer of the Populist National committee. J. A. Sovereign, of Arkansas; C. F. Taylor, of Pennsylvania; H. W. Reed, of Georgia; J. S. Dure, of California; G. F. Washburn, of Massachusetts, and J. E. Bresdenhall, of Kansas, were elected the executive committee.

TWO POOR COUNTERFEITS.

Two Bogus Silver Certificates That Will Impose on the Careless.

Two new counterfeit United States silver certificates have been discovered by the Treasury Department. The first is of the series of 1891, check letter C, signed by J. Fount Tillman, Register, and D. N. Morgan, Treasurer, and having a portrait of Stanton. The second is a \$5 bill, series of 1891, check letter B, signed by J. Fount Tillman, Register, and D. N. Morgan, Treasurer, and having a portrait of Grant.

These counterfeiters are printed from etched plates and are very poor productions. The portraits, like the work and small lettering appearing are bad, being much blurred and indistinct. The paper is also poor. A few pieces of silk thread have been distributed through it. The most careless handler of money, it is said, should readily detect the counterfeit notes.

DRIVEN FROM WORK.

The Struggle in the Troubled Illinois Districts Is Spreading.

A mob of 200 striking miners from the mining districts of Riverton and Spaulding, Ill., marched to Barclay, Ill., and compelled the miners to return home. They would not allow the men to go to work on account of a reduction in wages from 35 cents a ton to 22 1/2 cents a ton.

The men had all assembled around the mine when the striking miners made their appearance. Some confusion followed, and when the first cage of men was let down, and the mine there was a general riot. The Barclay miners went to their homes and agreed to work no more until next Tuesday.

Gold Reserve Restored.

The treasury gold reserve, through the action of the New York national banks, became intact again Thursday, standing at the close of business at \$101,821,770. This result was attained by the banks depositing \$10,200,000 in gold and receiving therefore a like sum in legal tender notes, which are redeemable in gold on presentation to the treasury.

SILVER PARTY CONVENTION.

Delegates of the White Metal Party Meet in St. Louis.

The silver party convention was called to order at 12:35 p. m., Wednesday. Temporary Chairman Newlands and Representative Towne, a bolting Republican from Minnesota, were greeted with applause when they took seats on the platform. Chairman Newlands delivered an address outlining the position of the party.

The call for the convention emanated from a conference of the friends of silver, held at Washington, D. C., January 22 and 23 last, and was signed by A. J. Warner, president American Bimetallist League; H. G. Miller, chairman national silver committee; R. C. Chambers, president National Bimetallist Union; J. M. Devine, secretary American Bimetallist League.

Dr. J. J. Mott, of North Carolina, who was elected chairman of the executive committee, has been in St. Louis for several weeks, making preparations for the convention.

The hall had been attractively draped with flags and bunting, but the atmosphere was so close and hot that it was almost suffocating when Chairman Mott came forward to call the convention to order. The delegates for the moment ceased the use of fans and roused from the torpor caused by the awful heat, indulged in some enthusiastic cheering. Prayer was offered, after which Miss Lillie B. Pierce, read the Declaration of Independence. This caused another outburst of applause.

The program of the silver convention was all arranged in advance. It included simply the adoption of a 16 to 1 platform and the nomination of Bryan and Sewall, but those in charge of it deemed it good policy to go slowly in the belief that they might by remaining in session be able to exercise an influence in shaping things in the Populist convention. To this end they appointed a committee of seven headed by Judge Scott of California to meet with a similar committee from the Populists for the purpose of reaching a common plan of action.

Wm. P. St. John of New York is permanent chairman of the silver convention and H. E. Duffendorf of Pennsylvania is secretary. Mr. St. John delivered a 16 to 1 speech and preached Populist and Democratic unity.

The second day session was devoted to speaking. Charles A. Towne of Minnesota and Mrs. Helen M. Gougar of Indiana were the principal speakers.

It was 10:41 o'clock when Chairman St. John called the silver convention to order Friday. Rev. Dr. L. W. Covert led in prayer, after which G. W. Baker, of California, took the floor. He said the "People's party convention and appointed conference call and moved that the convention confer action in the platform and postpone the nomination of a ticket until 5:30. A motion that when the convention adjourn it adjourn until 8:30 minutes was prevailed.

Senator Stewart of Nebraska, was called to the front and was cheered as he took the stand. His mention of Bryan's name while reviewing the work of the Chicago convention was greeted with applause.

The National silver party adjourned sine die shortly after 6:30 o'clock Friday evening, after going on record by nominating the nominees of the Democratic convention, William Jennings Bryan and Arthur Sewall, as president and vice president of the United States respectively.

The last act before final adjournment was the selection of Lincoln, Neb., as the city at which the nominees were to be notified of the honor extended to them.

SILVER PLATFORM.

The National silver party in convention assembled hereby adopts the following declaration of principles:

The paramount issue at this time in the United States is indisputably the money question. It is between the gold standard, gold bonds and bank currency on the one side, and the bimetallic standard, no bonds and government currency on the other. On this issue we declare ourselves to be in favor of a distinctively American financial system.

We hold that the power to control and regulate the currency is inseparable from the power to coin money.

We are unalterably opposed to the issue by the United States of interest-bearing bonds in time of peace.

We therefore confidently appeal to the people of the United States to leave in absence for the moment all other questions, and unite in one supreme effort to free themselves and their children from the domination of the money power.

CLOUDBURST CAUSES DEATH.

Ten Persons Drowned by the Inundation of a Kentucky Creek.

A cloudburst at 4 o'clock Tuesday morning at Benson's Creek, four miles from Frankfort, Ky., resulted in the drowning of James Bradley, his wife and five children, and a woman, a widow, and two small children. Mrs. Bryant kept a toll gate near the bridge. Her house was on the creek and across from that of James Bradley. The Conway mill was just above, and was the first to go. Its timber must have swept away. Bradley and Bradley's house were these houses struck the railroad bridge and carried it away. All trains on the Louisville and Nashville and Chesapeake and Ohio railroads, from Frankfort, Lexington and intermediate points, were cut off from Louisville.

Ten minutes after the cloudburst Benson's creek became a swollen river, covering the valley on either bank and sweeping everything before it.

A Sound Money Ranner.

The Captain Robert Gillespie Republican Club will display a handsome net banner, with portraits of McKinley and Hobart also campaign transparency from the front of their club house, Lehigh street, and Marshall street. At a meeting of the organization last Tuesday evening Captain Robert Gillespie, C. Joseph Dacey and James Clarence were elected as delegates to the convention of the Republican State League of Clubs, to be held at Erie in September. The alternates elected were Thomas J. Kiernan, Frank Boniter and John Allen.

FATAL RUSH OF THE MAD WATERS.

TWENTY-EIGHT DROWNED.

Victims of the Cloudburst in a Colorado Canon.

A special dispatch from Morrison, Col., says: A cloudburst in Bear creek canyon, just above Leadville, at 8 o'clock on the night of the 24th, brought down a solid wall of water ten feet high, which not only did great damage to property, but caused the loss of fifteen to twenty lives. The known dead are: Mrs. Miller and three children; a party of campers, fifteen or eighteen in number, who were living in a small house below the town. Violin Foster, a little Denver girl, with the party, and was saved by the people who heard her cries. This much has been learned on this side of the creek but as all bridges are gone and the water is still high and swift, nothing can be learned from the other side. Searching parties are out on both sides of the stream, looking for bodies of dead and injured. It is feared there has been more loss of life, as there were scores of people camping along both sides of the creek, both above and below the main body of water.
